**Albany Community HOSPICE & PALLIATIVE CARE**

Nancy Lopez and Phoebe Foundation are teaming up for the 24th annual Lopez Hospice Golf Classic. This tournament gives participants a memorable opportunity to golf in the South Georgia sunshine and socialize with Nancy Lopez and other LPGA golfers while contributing to the noble cause of Albany Community Hospice.

*Phoebe Foundation*

As a not-for-profit hospital, Phoebe's mission is to provide world-class health care to all those in need, regardless of personal circumstances. In order to fulfill this mission, Phoebe depends heavily on the generosity of our caring donors. The Phoebe Foundation provides a way for our community to come together through charitable giving to help Phoebe improve the health and quality of life of Southwest Georgia. Becoming involved in this event will allow you to help those in the end days of their lives as well as their family members through a stressful time. To learn more about Phoebe Foundation and how to become involved with the 2009 Lopez Classic, visit us at [www.lopezhospice.org](http://www.lopezhospice.org) or call us at 229-312-GIVE.

*Charity sees the need, not the cause...*

For more than 20 years, Albany Community Hospice has provided home-based emotional and medical support for patients and their families facing end-of-life issues. However, in order to best serve the needs of our community, Albany Community Hospice needs a new home. When it becomes a reality, the Willson Hospice House will serve a need in our community and provide services far beyond medical care. Thanks to the devotion and ongoing efforts of Nancy Lopez, many families have been assisted and supported during what can be a terribly stressful time. Proceeds from this event will ensure that Albany Community Hospice continues to offer the best in symptom control and pain management, combined with compassion and emotional support. Willson Hospice House will allow Albany Community Hospice an even broader range of caring services to meet the medical, emotional and spiritual needs of patients and families. Your participation in the 2009 Lopez Hospice Golf Classic activities will ensure the continuing success of Albany Community Hospice. Please make plans to join us in this effort.
